LAND ACKNOWLEDGMENT

C4 Performing Arts was founded in Fairfax, VA and our current home studio, located in the downtown area of the City of Fairfax, exists on land that was originally occupied and inhabited by the Doeg, Manahoac, and Piscataway nations. C4 celebrates the rich contributions of the Native American people as well as acknowledges and pays great respect to the Indigenous communities which have been historically displaced. We also honor and recognize the Indigenous people living in this community today.
